Hosted By : MCKV Institute of Engineering

Venue : Malay Mancha , MCKV Institute of Engineering
243, G. T. Road(N), LILUAH, Howrah - 711204

Objective

Computer Society of India, Kolkata Chapter and MCKV Institute of Engineering believe in providing with opportunities to the students to share their innovative thoughts and ideas amongst the student community with the help of prominent academicians and professionals. The first State Level Student Convention of Computer Society of India, 2011 to be hosted by MCKV Institute of Engineering aims to bring the students together into a common platform with an intention to achieve the following objectives.

- To expose the students to the concepts of academic writing, research presentation, critical thinking.
- To establish and foster a formal environment for students to meet each other, share their ideas and get feedback – so that they can form a network of young researchers.

Paper Selection Process

- Students of a recognized educational institution from West Bengal.
- Age of contestants must be less than 25 years on 01.01.2011.

Full paper with presentation must reach CSI Chapter or MCKV Institute of Engineering before **January 25, 2011**. The name of short-listed papers will be announced on **January 27, 2011**. Author(s) of selected papers will be requested to present their work on the **Convention Day – 29 January, 2011**. Decision by the judges will be final and binding. **Only those Students** who intend to contest for paper presentation must submit “**BONA FIDE**” Certificate from the appropriate authority on or before **January 25, 2011**.
